## The Property

This three bedroom bungalow is located within the centre of the coastal holiday resort of Perranporth. Boasting a large plot, the bungalow lends itself perfectly to anyone wishing to purchase a Mundic property for renovation or redevelopment.

The property currently offers accommodation that comprises three bedrooms, a living room, kitchen, utility room, bathroom, and separate W.C. There would be scope to extend up into the roof space for those looking to keep the original structure, and with the large gardens, further extension could be possible.

St. Georges Hill is ideally situated for those wanting to live in the heart of Perranporth without being too far up St. Georges Hill, so keeping you reasonably on the level. Its position gives you great access to the local shops, supermarkets, coffee shops, and pubs, as well as a short walk from the beach Perranporth is famed for.

Externally, the bungalow enjoys good-sized gardens, driveway parking, and the heating is provided by an oil-fired central heating system.

Camel Coastal & Country strongly recommend viewing, but would reiterate that this is a Mundic bungalow, so any viewer would have to be a cash buyer or raising funds on another property to fully finance. For further information regarding this, please contact the Perranporth office.
