SITUATION

The village of Upper Basildon sits on the edge of the Berkshire Downlands in an area of 'Outstanding Natural Beauty' with far reaching scenic countryside surrounding it on all sides.

The village itself offers a range of amenities including a parish church, community Post Office, highly regarded C of E primary school, and a traditional Public House serving local ale and food. A splendid village hall which has become the centre for a variety of community sports and activities utilising its adjoining sports field and tennis courts exists also. A local bus company runs a limited service from the village to Pangbourne on Thames, where a mainline railway station with fast commuter services up to London (Paddington) in well under the hour (25 minutes from Reading) can be found.

In addition to its own well-regarded primary school, which feeds into the much-acclaimed Downs secondary school with sixth form in Compton, the area is also extremely well served by an excellent range of private schools, including St Andrew's Prep School, Bradfield College, Pangbourne College, Downe House, Cranford House, Moultsford Preparatory School, Abingdon School and St Helen & St Katharine. "Bradfield College, the well-known Public School located some three miles from Upper Basildon, has excellent leisure, fitness and sports facilities including a large indoor swimming pool all of which are available for use by members of the public. The facilities also include squash, badminton and tennis courts, hockey and a 9-hole golf course.

The village enjoys excellent road communications with easy access to surrounding major towns and for the M4 at Theale (J.12).

The Triangle comprises the historic heart of the village where the original main area of population was centred.
