# THE PROPERTY

Caldewell is a landmark Victorian country residence set within its own private estate in Worcestershire, enjoying far-reaching views across rolling countryside, woodland and landscaped gardens. This handsome red-brick property combines striking period architecture and historic character with the comforts of modern family living.

Extending to over 11,000 sq ft, the accommodation offers an exceptional range of elegant reception rooms, high ceilings, marble fireplaces, sash windows, shutters, flagstone and timber floors. At its heart is a superb kitchen/breakfast room with a traditional butler's pantry, complemented by beautifully proportioned living and entertaining spaces.

The upper floors provide ten generous bedrooms, including an impressive principal suite with dressing room and luxury bathroom, alongside numerous guest bedrooms and bathrooms.

Extensive cellars, including a wine cellar, provide valuable storage, while a studio and library across the courtyard offer ideal home-working space. A range of outbuildings extending to over 6,000 sq ft provides excellent flexibility for garaging, workshops and hobbies, alongside a gym, summer kitchen and an original cider press.

## GARDENS AND GROUNDS

The gardens surrounding Caldewell are truly exceptional. Designed to complement the grandeur of the house, they comprise expansive sweeping lawns, formal terrace and block paved sitting areas, garden walls, carefully clipped hedging, sunken seating area with box parterre and box topiary, mature trees including holm oak, oak, limes and pines, and beautifully stocked borders. From the elevated terrace, views extend across the grounds and down to the lake, creating a wonderful setting for outdoor entertaining throughout the seasons.

Beyond the formal gardens, the estate unfolds into a diverse and captivating landscape extending to 78.76 acres. Productive grassland sits alongside mature woodland, which also has access from Mill Lane, while the lake and pond provide striking focal points and rich wildlife habitats. Woodland walks, parkland and expansive fields combine to create an environment of remarkable beauty, privacy and tranquillity. The land not only enhances the setting of the house but also offers considerable lifestyle appeal, whether for conservation interests, sporting pursuits, equestrian activities or simply the enjoyment of owning a significant country estate.
