From 1 May 2026, tenants ending an assured periodic tenancy in England usually need to give 2 months' written notice, and the tenancy must normally end on the day rent is due or the day before. This means your actual move date may be later than you expect. Please do not assume that your current landlord will agree to a shorter notice period or an earlier release unless this has been confirmed. We may ask you to confirm your current tenancy notice position before progressing an application.
