A truly impressive five-bedroom detached family home, occupying a desirable cul-de-sac position within the sought-after village of Kirk Smeaton. Offering approximately 2,193 sq ft of accommodation, this substantial property combines exceptional living space, extensive gardens and excellent potential for a new owner to create a truly outstanding home.

Set behind a generous frontage, the property boasts a large driveway, front garden and a double garage, while to the rear is a wonderfully private and expansive garden. Tucked away beyond the main garden is a hidden orchard/allotment-style garden, offering a fantastic space for those looking to grow their own produce, enjoy gardening or simply make the most of the property's extensive grounds.

Internally, the accommodation is equally impressive, with three reception rooms, a spacious kitchen, separate utility room, WC and five well-proportioned bedrooms, two with en suite bathrooms. Of particular note is the impressive bedroom, above the garage, with its own bathroom and kitchen. Currently used as a hobby room, this versatile space could easily be converted back into a self-contained private annexe, providing excellent flexibility for dependent relatives, older children or guests, while also offering considerable potential for those working from home or wishing to install a home gym.

The current owners have maintained the property to a high standard throughout, although the home would now benefit from a programme of modernisation. This offers an exciting opportunity for the incoming purchaser to update and personalise the property while retaining its fantastic proportions, versatility, position and substantial gardens.

Kirk Smeaton is a highly regarded village, with a school, local village pub and post office nearby, while Brockadale Nature Reserve is on the doorstep. The property also benefits from excellent transport connections, making it particularly well placed for access to surrounding towns, cities and motorway networks.

Homes offering this combination of size, privacy, versatility and location are extremely sought after. Being offered for sale with no onward chain, early viewing is essential to fully appreciate the space, potential, extensive gardens and hidden orchard/allotment this exceptional detached home has to offer.
