The Home...

This 1930s semi-detached home sits on the Haywards Heath/Lindfield borders and enjoys a fabulous location overlooking playing fields to create a real feeling of openness.

The home offers generous proportions and huge scope for extension, if required.

Upon entry you're welcomed by a large hallway there is an inviting 16ft sitting room with bay window that makes the most of the open outlook to the front. Across the rear is an impressive 20ft kitchen/diner with breakfast bar peninsula and contemporary handleless units. The large window offers scope for the creation of French doors to connect the space with the garden.

Off the kitchen is a lean-to which leads to the large store and outside WC.

On the first floor there are three decent double bedrooms and the family bathroom.

Step Outside

Stepping outside, the home has a good size garden with an expanse of level lawn and paved terrace that is ideal for some 'al-fresco' dining in the summer months. To the front is a small garden and driveway parking.

The home is offered for sale with no onward chain meaning a swift move is possible.
