Introduction

This deceptively spacious mid-terraced home offers flexible 2/3 bedroom accommodation and is ideally situated within walking distance of the town centre, providing convenient access to a range of local shops, amenities, and transport links. Offered with no onward chain, this property presents an excellent opportunity for first-time buyers, investors, or those seeking a well-located home.

The accommodation is arranged over two floors and begins with a welcoming lounge to the front, leading through to a dining area and into an extended kitchen. Just before the kitchen, you will find a ground floor bathroom, adding practicality to the layout. Upstairs, there are two generous double bedrooms, with a third bedroom accessed via bedroom two, featuring a step down into the room - ideal as a nursery, dressing room, or home office.

Externally, the property benefits from non-restrictive on-street parking to the front. To the rear, there is an outbuilding divided into three sections, one of which belongs to the property. The immediate rear area is open plan with neighbouring properties, leading to a separate main garden area a short stroll away. The garden itself is divided into a larger strip section, with part laid to bark in a woodland-style setting and the remainder enclosed by fencing—offering a unique and versatile outdoor space.
