4 Bedroom House - Semi-Detached located in London

This exceptional home combines elegant design with meticulous attention to detail. Beautifully presented throughout, the property has been thoughtfully upgraded to create a luxurious yet practical living space.

From the moment you step inside, the quality of finish is immediately apparent. The entire ground floor benefits from underfloor heating and there is LED lighting throughout the home. A stunning rear extension forms the heart of the property, where expansive bi-fold doors and triple glazed skylights flood the space with natural light and seamlessly connect indoor and outdoor living.

The bespoke Schmidt kitchen is both striking and functional, complete with premium Siemens appliances and a feature quartz stone tiled wall. Designed with entertaining in mind, the open plan space also incorporates a built-in speaker system, part of a wider surround sound setup. Additional integrated speakers are fitted in the kitchen, bathrooms and bedrooms, creating a cohesive and contemporary atmosphere throughout.

Upstairs, the home continues to impress with beautifully appointed bedrooms and luxurious bathrooms. Both the main bathroom and en-suite benefit from underfloor heating, while the principal
