Description:

This exciting mixed residential / commercial property is situated at the heart of Moretonhampstead, a supremely popular Dartmoor Town renowned for its relaxed lifestyle and extensive facilities. Having previously operated as a successful rental investment for the present owner, the property has fallen into disrepair and is now in need of extensive renovation, including work to the structure of the building. A survey report is available to interested parties to inspect.

Arranged over four floors, including a sizeable basement level, the property sits at a prominent cross-roads in the town and certainly offers great scope for any incoming purchaser to utilise in a number of different ways, not least to continue—once completed—as a profitable investment.

This is a rare opportunity with extensive opportunities to exploit. As always, interested parties should rely on their own legal and survey work to ascertain the extent of the work required and to confirm whether this is a viable project for them.
