Deceptively spacious three double bedroom semi-detached bungalow in a sought-after non-estate location

Set on Osborne Road in the popular village of Warsash, this extended bungalow offers over 1,400 sq ft of flexible accommodation, with bedrooms arranged across both floors. The property combines generous living space with a practical layout, and is ideally placed for village shops, the common and the waterfront, all within walking distance.

The spacious entrance area is a welcoming first impression and is large enough to create an additional reception space. A log burner adds character and warmth, while the entrance hall gives access to two ground-floor double bedrooms. The extended lounge provides plenty of room for relaxing and dining, with views across the rear garden. There is also a good-sized kitchen/breakfast room with integrated appliances, alongside an impressive family bathroom featuring a separate shower and corner bath.

On the first floor, the main bedroom offers ample fitted storage and access to an en-suite bathroom. A further room, currently used as a home office, provides useful flexibility for working from home or hobbies.

Outside, an expansive block-paved driveway offers parking for multiple vehicles and leads to the single garage. The generous rear garden enjoys a south-westerly aspect, making it a lovely spot to enjoy the afternoon and evening sun. At the far end, a charming summer house with power provides an appealing retreat or further versatile space.
