GENERAL AND SITUATION

Approximate Distances:

Chatteris 2 miles • March 9 miles • Ely 12 miles
Huntingdon 17 miles • Peterborough 20 miles • Cambridge 24 miles

An excellent private equestrian home comprising two/three bedroom detached bungalow, set in just under five acres with a large garage, stables, hay barn, arena and paddock grazing, in an accessible rural location.

The property has been utilised as a private equestrian home and offers a good range of facilities. It is set well back from the road up a long driveway and is surrounded by its own land. There is plenty of local hacking on the lanes and droves, whilst the competition centres of College of West Anglia at Milton, Fenning Farm, Forest Edge Arena, Ely Eventing Centre and Keysoe International are all within easy reach.

The nearby town of Chatteris has a good range of facilities and amenities, including junior and senior schooling, church, doctor, dentist, supermarket and a selection of further shopping facilities. There are also a wide range of sporting and social recreation opportunities, plus a much-improved local road network which gives easy access to the larger regional centres. Huntingdon, March and Ely all have mainline rail services.

THE RESIDENCE

A two/three bedroom detached bungalow with double-glazing and oil-fired central heating. The accommodation in brief is as follows, please refer to the floor plan for approximate room sizes.

A stable style door opens into a **Utility** with tiled flooring and plumbing for a washing machine. The **Utility** leads on to the **Kitchen**, which is fitted with a range of base and wall units with worksurfaces, 1½ bowl sink with mixer tap, integral electric oven and hob with extractor over (extractor not currently connected), space for fridge freezer, space for dishwasher and quarry tiled flooring.

Off the **Kitchen** the bright **Sun Room** has a door to outside, laminate flooring and windows to three aspects and overlooks the front gardens and paddock land beyond.

Also off of the **Kitchen** is the **Bathroom** which has an electric shower in cubicle, bath, wash hand basin, WC, tiled flooring and houses the oil-fired boiler.

An **Inner Hallway** gives access to the **Three Bedrooms**, all of which have laminate flooring, and the generous **Lounge / Dining Room** which has a solid fuel burner set on a tiled hearth, laminate flooring, lovely large windows to one side letting in lots of light, and double doors to the rear garden.

OUTSIDE, OUTBUILDINGS & LAND

From the road a long driveway, leads up past the house to a generous parking area, then on to the **Equestrian Facilities**.

The lovely **Gardens** sit mainly to the front of the house and are laid to lawn with a variety of mature trees and shrubs and a large, attractive **Pond**. There is a pleasant **Patio Area** for outside entertaining, a **Raised Vegetable Bed** and **Two Greenhouses**.

To the side of the house **Outbuilding One** (see floorplan) has four sets of double doors to the front. There is a **Tack Room** with a pedestrian door to the rear.

With ample space to accommodate at least seven cars, in the Agent's opinion, this building would be ideal for those with an interest in vehicles.

EQUESTRIAN FACILITIES

Outbuilding Two (see floorplan) is a **Stable Yard** with concrete yard area and roof overhang, with power and light comprising:

Hay Barn with double doors to front

Stable One with auto drinker

Corner Stable Two with auto drinker

Stable Three with auto drinker

To the rear of the stables is a designated space for a **Muck Trailer**

There is an **Arena** c 60m x 20m with LED lighting, plastic granule surface and post and rail surround.

The **Grazing Land** is situated either side of the driveway and is divided into paddocks with post and rail and electric fencing. It is mainly level pasture.
