This is a home that continually surprises, with generous proportions and flexible living space arranged across three floors. Whether you're looking for room for a growing family, space to work from home, or accommodation that can adapt as life changes, this property delivers in abundance.

The heart of the home is the bright and spacious first-floor living space, where natural light pours through the dual-aspect sitting room, creating an inviting place to relax and unwind. The adjoining kitchen and dining room provide an ideal setting for everyday family life and entertaining alike.

The bedroom accommodation is equally impressive. The principal suite enjoys its own dressing area and en-suite shower room, while the remaining bedrooms offer flexibility for family members, guests or home working. A ground-floor bedroom with en-suite facilities is particularly appealing for visiting relatives, independent teenagers or those seeking multi-generational living.

Outside, the west-facing garden has been designed for ease of maintenance, providing a private spot to relax and to the front, there is off-street parking for two vehicles as well as access to the integral garage.

One of Howard Place's greatest attractions is its exceptional location. Reigate's bustling high street is just moments away, offering an excellent choice of independent boutiques, cafés, restaurants and pubs. Reigate Station is within easy walking distance for commuters, while Priory Park and the Castle Grounds provide beautiful open spaces to enjoy throughout the year. For those travelling further afield, the M25 is conveniently close by.
