Description

The internal accommodation begins with a welcoming entrance hall, leading to a well-appointed kitchen fitted with a range of eye and base-level units. The kitchen flows seamlessly into a practical utility room, which provides direct access to the garden.

The spacious living room is flooded with natural light thanks to sliding patio doors that overlook and open onto the rear garden, creating an ideal space for both relaxing and entertaining. To the front of the property are two generously proportioned double bedrooms, both offering comfortable and versatile accommodation.

Externally, the rear garden commences with a paved patio seating area, with the remainder predominantly laid to lawn, providing an attractive outdoor space to enjoy. A generous garage benefits from both side access from the garden and an up-and-over door to the front of the property from the driveway.

Positioned at the far end of the garden is a substantial purpose-built outbuilding, providing a versatile space that could be utilised as a home office, gym, studio or entertaining area. The outbuilding also incorporates ample storage and additional garage space, making it a valuable and practical addition to the property.
