Ground floor goals? Absolutely. You'll also find internal access to the twin garages, making everyday life that little bit easier.

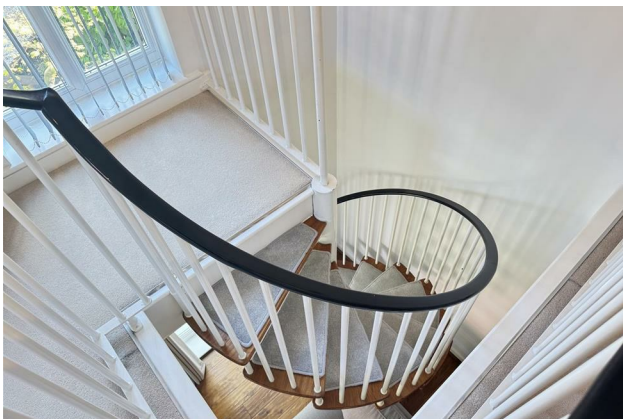

The ground floor lounge is bright, spacious and flooded with natural light thanks to dual-aspect windows. Finished with contemporary wood-style flooring, it's the perfect place to unwind, host friends or settle in for your latest streaming obsession.

Head upstairs and the home really comes into its own. A generous double bedroom with fitted wardrobes sits alongside a stylish family bathroom, while the showstopping open-plan kitchen, dining and family space is designed for modern living. The spiral staircase continues to the top floor, where you'll find two further double bedrooms. The impressive principal suite benefits from fitted wardrobes and a sleek en-suite shower room, creating a peaceful retreat at the end of the day. The second bedroom is equally well-proportioned, making it ideal for family, guests or the ultimate work-from-home space.

Outside, the landscaped rear garden has been thoughtfully designed for relaxing and entertaining, with a generous patio, stylish slate seating area and low-maintenance artificial lawn surrounded by mature planting. Summer BBQs? Sorted.
