Client Comments

"Overwhelmingly we will all be really gutted to move on from here. It's been a brilliant house to bring up our children- with the big rooms and large gardens. As much as we're on the main street and very central for schools etc it's surprisingly very quiet and we have had so many days and evenings out the back as the gardens are so nice and private- and more recently in our garden bar too. We hope whoever buys it goes on to make as many fond memories here as we have."

Description

The accommodation is thoughtfully arranged over a single level and extends to over 1500 sqft, centered around a welcoming entrance hallway and comprises a versatile layout currently set up with 3 well-proportioned double bedrooms all equipped with fitted wardrobes, whilst an elegant dining room has been previously used as a 4th bedroom if required. A spacious living room and an impressive conservatory that overlooks the rear garden offer further rooms for relaxing, entertaining or hosting friends and family gatherings. A recently upgraded fitted kitchen offers a practical and stylish hub for culinary enthusiasts, with a breakfast bar perfect for a morning coffee or quick meal. The family bathroom features a 4 piece suite to help the needs of busy family life or for those who enjoy a long soak in the bath in the evening. A floored attic area offers further storage or conversion potential if desired.

One of the property's most notable attributes is its exceptional external space. A large driveway provides parking for approximately 7 vehicles, making this an outstanding proposition for families or those requiring extensive off-street parking. The generous garden grounds provide considerable privacy and versatility, with ample space for outdoor dining, entertaining and family recreation. The property also benefits from a garage that has been converted to provide a versatile garden room, be it for work, leisure or play with the current set up ready for hosting friends and family members. A further outbuilding is set up as a home gym with equipment that can be negotiated as part of the sale if required.
