3 Windmill Cottage

The Common, Chipperfield, Kings Langley

Proffitt and Holt are delighted to offer to the market this charming three double bedroom, early Victorian character cottage in the heart of Chipperfield village, benefitting from being just a short walk from the village Common and all its local amenities.

Chipperfield is an idyllic village boasting an array of countryside walks, bridle paths and far reaching views, whilst also benefitting from being within close proximity to the neighbouring villages of Sarratt and Kings Langley, which in turn benefit from a host of nearby transport links including the M1, M25, A41 and Kings Langley station – providing easy access in London.

The cottage is well presented and modernised throughout, whilst still retaining many period features.

With views to the woods and common, the sitting room has a large feature fireplace and original sash window. There is a kitchen/breakfast room which has been re-fitted and a separate boot room both with views to the rear garden. Stairs to the first floor, from the kitchen/breakfast room, lead to a spacious landing where there are three double bedrooms, with period features including fireplaces, and a spacious re fitted bath/shower room. The first-floor benefits from a flying freehold resulting in generous room sizes throughout.

To the rear there is a mature and low maintenance garden with a rear courtyard featuring a log store and with access to a flint outbuilding (currently used as a utility/store room) plus path to a rear patio and landscaped area with flower borders.

To fully appreciate what this unique and rarely available period property has to offer, please contact leading local agents Proffitt and Holt.
