Leasehold – Share of Freehold

Boasting ceilings over three metres high and a 98ft private garden, this stunning garden flat is positioned in the heart of the Mapesbury Conservation Area.

A truly rare find, this wonderful family apartment is filled with gorgeous original features and period charm. Set within a large detached Victorian house, the conversion occupies the east side of the ground floor. At the front is the spacious principal bedroom, featuring beautiful sash windows and an abundance of built-in storage. Prospective purchasers will be blown away by the exceptionally bright reception room, complete with original fireplace, decorative corning, and tranquil green views through the conservatory onto the nearly 100ft private garden.

Perfect for relaxing and entertaining, the garden offers a canopied, decked section leading to a beautifully maintained lawn flanked by mature flowerbeds — a true oasis in North West London. There is also a patio ideal for dining, and a summerhouse with electricity.

All arranged over one floor, the property includes a separate fully fitted kitchen, a family bathroom, and a second bedroom.

This stretch of Walm Lane is arguably one of the most sought-after roads in NW2. Within the Conservation Area, the stunning Victorian architecture and wide, tree-lined roads are protected for generations to come. These properties are well set back from the road and slightly wider than their neighbours, offering grander proportions and off-street parking. The ever-popular Mapesbury Dell is just a short stroll away on Hoveden Road, with both Willesden Green and Kilburn stations (Jubilee Line) right around the corner.
