PROPERTY DESCRIPTION

If you are looking for a home that is pleasing to the eye and yet deceptive in what it has to offer, then we think we have something that might just tick the boxes. Offering over 2000 sq ft of accommodation and a footprint that includes a detached garden room and detached garage, this is a home that delivers in virtually every department. From a classic reception hall, you get access to three separate reception rooms, cloakroom, stairs to first floor and door to a large open plan kitchen/family room area, off of which is the utility room. To the first floor is the primary bedroom and en-suite, two further bedrooms and family bathroom, whilst to the second floor is the fourth bedroom. Internally the cottage is full of character and charm, with wooden floors combining with tiled areas and newly laid carpets, Shaker kitchen, open fireplace, cast iron burner, cabinetry work, modern yet classic bathrooms, double glazing, gas fired heating by radiators and all presented in a way that reflects modern living and style.

To the outside the property is approached by way of a gravel driveway and leading through a private wooden gate and giving access to the detached garage. The outside rear garden area is combined between terraced areas and lawns, with access to the garden studio to the rear, which provides the perfect space for either work or leisure requirements.
