Description

Pickering is an attractive market town situated along the A170, Thirsk to Scarborough road. It is a short drive to the east coast and to the surrounding market towns of Helmsley and Malton. Malton has a train station with regular links to the City of York and service beyond. Pickering has an active Monday Street market, a good selection of shops, schools for all ages and amenities which include doctors surgery, dentists, vets and library. There are interesting places to visit such as the Beck Isle Farming Museum, Pickering Castle, the North York Moors Steam Railway and the nearby Dalby Forest.

Costa Way is located on the South Westerly edge of Pickering. It is cul-de-sac believed to have been built by Barrett Homes in the late 1970's and is lined by brick built houses and single storey accommodation. No.9 is a detached house with a southerly frontage that looks over the street. It occupies a reasonable sized plot with a private drive that runs along side the house extending to a detached garage. The gardens are laid primarily to lawn.

Inside there is a living room to the front of the house with double doors that open into a dining area to the rear. This shares an open plan layout with the kitchen. Upstairs there are three bedrooms (two doubles and a single) as well as a white suite bathroom. The property has uPVC double glazing and gas central heating.

Being in a cul-de-sac this house offers a safe environment for families and is a comfortable walk to the nearby schools and town centre.
