A two bedroom duplex apartment set in communal gardens with garage and off street parking

15 Croft Road is a bright and spacious two-bedroom apartment arranged over the second and third floors of the highly regarded Westgate Court development. Occupying a particularly desirable position on one of the town's premier residential streets, the property is just a short walk from the picturesque town centre and its excellent range of amenities.

Built in 1984, Westgate Court comprises just ten individually designed apartments, set within mature and beautifully maintained communal gardens. This particular apartment enjoys well-proportioned accommodation and a number of attractive features, including vaulted ceilings and a wonderful sense of space.

A generous entrance hall provides access to an impressive open-plan living and dining room, featuring a vaulted ceiling and Juliet balcony overlooking the communal gardens. The adjoining kitchen has been fitted with a contemporary range of wall and floor-mounted units, integrated appliances and a useful breakfast bar.

The second double bedroom is located on this floor and benefits from a full-width range of built-in wardrobes. A staircase rises from the entrance hall to the upper floor, where the principal bedroom provides a particularly impressive retreat. Featuring a vaulted ceiling and striking statement window reaching the roof void, this spacious room also benefits from a large wardrobe and access to a useful loft void. The shower room is also on this level and has been upgraded with modern sanitary ware and a large walk-in shower enclosure.

Outside, residents have use of four attractive walled communal gardens, all well maintained and predominantly laid to lawn. The principal rear garden also provides a generous paved terrace, creating an ideal space for sitting and enjoying the peaceful surroundings. To the rear of the development are two blocks of private garages, with number 15 benefiting from its own single garage with power and light. Further parking is available adjacent to the garages.

This is a rare opportunity to acquire one of only ten apartments within Westgate Court. Tucked away in the heart of this picturesque market town, the property combines easy access to the town centre and its many amenities with a peaceful and highly convenient setting within one of the area's most attractive period streets.

LOCATION

Thame is the quintessential English market town, located close to the Chiltern hills and the city of Oxford. Taking its name from the famous river that flows through its centre, the town is blessed with a long and illustrious history. These days it's a bustling, elegant place with something for all tastes.
