DESCRIPTION

Set in a sought-after Wrexham suburb, this spacious detached family home combines generous accommodation with a superb location. Offering easy access to the city centre, motorway networks, schools and amenities, the property features four bedrooms, en-suite, family bathroom, lounge, sitting room, kitchen, dining room, utility and cloakroom. Outside, there is ample brick-block parking, landscaped gardens, a detached double garage and a private south-facing rear garden with a large patio and mature planting. Solar panels, gas central heating and UPVC double glazing complete the package.

LOCATION

A highly desirable Borras Park location, close to schools, local shops and amenities, with Wrexham City Centre and excellent road links to the A483 and wider motorway network within easy reach. Surrounded by established residential areas and nearby countryside, this is a popular and convenient location for families and commuters alike.

ENTRANCE PORCH

7'1 x 2'6

Accessed via a UPVC double-glazed patio door, with a side-facing window, wood-grain effect ceramic tiled flooring and an opaque timber glazed door leading into the reception hall.

ENTRANCE HALL

12'7 x 10 (max)

An inviting reception hall with wood-grain effect ceramic tiled flooring, stairs rising to the first floor with spindle balustrades and doors leading to the lounge, sitting room, cloakroom/WC and dining room. Light oak glazed doors also open into the kitchen.

CLOAKROOM WC

7'10 x 2'5

Fitted with a modern two-piece suite comprising a dual-flush low-level WC and wall-mounted wash hand basin. Features include ceramic tiled flooring, partially tiled walls, anthracite heated towel rail, opaque side window and recessed ceiling spotlights.

SITTING ROOM

13'3 x 10'8

With porcelain tiled flooring, wall-mounted log-effect electric fire, front-facing window and anthracite column-style radiator.

LIVING ROOM

20'7 x 12'2

A spacious lounge with wood-grain effect laminate flooring, bow window to the front, patio doors opening onto the rear garden and light oak partially glazed double doors leading to the dining room. Also featuring a coal-effect living flame gas fire with marble surround.

KITCHEN

17'1 x 8'9

Fitted with a range of gloss white Shaker-style wall, base and drawer units with stainless steel handles and complementary work surfaces incorporating a stainless steel single-drainer sink with mixer tap. Integrated appliances include a stainless steel double oven, electric hob and extractor hood. There is space and plumbing for a dishwasher and washing machine, partially tiled walls, ceramic tiled flooring, rear-facing window, partially glazed door to the utility room and open access into the dining room.

UTILITY

17'4 x 3'9

With wood-grain effect laminate flooring, power and lighting, and an opaque UPVC double-glazed door leading to a covered side area housing the solar panel batteries.

DINING ROOM

12 x 10'5

Featuring continued ceramic tiled flooring, radiator, light oak partially glazed double doors to the lounge and UPVC double-glazed French doors opening onto the rear garden and patio.

FIRST FLOOR LANDING

With continued banister and spindle balustrades, wood-grain effect laminate flooring, front-facing window, loft hatch with folding wooden ladders providing access to partially tiled storage space with lighting, airing cupboard and doors leading to the principal bedroom, three further bedrooms and family bathroom.

PRINCIPLE BEDROOM

Also featuring ceramic tiled flooring, fully tiled walls, chrome heated towel rail and opaque side window.

GARAGE

The detached garage has been divided into two sections:

Front Section – 16' x 8'2"

Accessed via an up-and-over garage door, with power, lighting and opaque side window.

Rear Section – 16' x 8'4"

With power and lighting, UPVC double-glazed rear window and UPVC side access door.

EXTERNALLY

Approached through double iron gates opening onto generous brick-block off-road parking and turning area, with lawned and

shrub borders, hedging to the front and side, gated access to the rear garden, external EV charger and lighting. To the rear a large paved patio area with iron gates providing access from the front and to a covered side area housing the solar panel batteries. Steps lead to a predominantly lawned and shrubbed garden with a further paved patio area. The garden enjoys a wealth of mature plants and shrubs, outside lighting and water supply, and is enclosed mainly by timber fencing.

ADDENDUM

The solar panel batteries have 13 years remaining on their warranty, with the solar panels themselves having 23 years remaining, correct at the time this brochure is produced.
