A Home Full of Potential, Just Waiting for Its Next Chapter!

Set within a highly sought-after residential location, this three-bedroom semi-detached home is bursting with potential and offers the perfect opportunity for someone to roll up their sleeves and create a home to truly call their own.

One of the real highlights is the generous rear garden – a fantastic space for summer BBQs, entertaining friends, letting the children run wild or simply enjoying a little outdoor relaxation.

While the property may be a little behind the times in places, it certainly makes up for it in character, space and possibilities! With a little imagination and some modern touches, this could be transformed into a wonderful family home.

Ideally positioned close to local shops, well-regarded schools and convenient transport links, it ticks plenty of boxes when it comes to location too.

Full of promise, packed with potential and ready for its next owner to make it their own. This is one you really need to see to appreciate – so don't let its current look put you off!
