Hermitage Road

£275,000 Offers Over

Bedrooms 3

There is something quietly reassuring about Hermitage Road. Perhaps it is the friendly rhythm of the street, the neat rows of homes, or the way neighbours greet each other as they pass. Tucked into the ever-popular Wyken area of Coventry, this beautifully presented double bayed terraced home feels like the sort of place where life simply works. Step through the storm porch and black composite door and you immediately sense the care and attention that has gone into creating a home that feels both stylish and wonderfully welcoming.

The hallway sets the tone the moment you arrive. Crisp white walls bounce natural light around the space, while the beautiful Minton floor tiles underfoot offer a subtle nod to the character that Coventry homes are loved for. It is the kind of entrance that quietly whispers quality before you have even reached the first room.

To the front of the house, the lounge enjoys a generous bay window that pulls daylight into the room from morning through to afternoon, creating a bright yet cosy space that feels perfect for slow Sunday mornings or relaxed evenings curled up with a film. The soft and neutral grey/brown carpet adds warmth underfoot, while the fresh décor creates a calm and contemporary atmosphere.

Towards the rear, the home opens into the kitchen dining area, which is designed very much with modern living in mind. Thoughtfully fitted units house integrated appliances including an oven, ceramic hob, extractor hood, fridge, freezer, dishwasher and washing machine, all neatly tucked away to keep the space feeling uncluttered. Subtle under cupboard lighting adds a gentle glow in the evenings, while inset spotlights keep the room feeling bright and practical during the day.

The space here has been purposefully designed to accommodate a small dining table, making it the natural hub of the home where morning coffees turn into chats that run longer than planned. French doors draw your eye straight into the garden beyond, blurring the line between indoor and outdoor living.

Upstairs, the sense of calm continues. All three bedrooms are decorated in soft neutral tones with the same contemporary carpets; and white walls that make each room feel bright and restful. The main double bedroom enjoys another lovely bay window, creating a comfortable retreat at the end of the day. The second bedroom is also a generous double, while the third is a versatile single bedroom that works beautifully as a nursery, office or dressing room. The family bathroom is modern and fresh, with fully tiled walls, a white three-piece suite, shower over a sensible P-shaped bath, chrome heated towel rail and powerful extractor fan.

Outside is where this home quietly steals hearts. Step out onto the first patio and the garden stretches invitingly ahead. A lush lawn runs through the centre with stepping-stone slabs guiding you towards another larger patio area – perfect for summer barbecues or a quiet evening drink. One side is framed by smart easily maintained wooden fencing while the other enjoys a mature, well-tended hedge that brings a lovely sense of greenery and privacy.

Just when you think the garden has finished, an arched gateway reveals the secret beyond. The second garden feels like a hidden escape, with two further patio areas, lawn, barked borders and beautifully newly planted trees that will mature over time to create a wonderful leafy retreat. It is a space full of possibility, ideal for garden buildings, outdoor entertaining, or simply enjoying a little peace surrounded by nature as the garden continues to mature with the years.

Beyond the home itself, the location is wonderfully convenient. Families are drawn to the area for well-regarded schools including Ravensdale Primary School, Sacred Heart Catholic Primary School, Caludon Castle School and Stoke Park School. Everyday shopping and local amenities are close by, while commuters appreciate the short drive to University Hospital Coventry and Warwickshire and easy access to the M6 Motorway and A46 Road.

Lovingly refurbished throughout, with extensive improvements including: new roof tiles, new rewiring, plumbing and heating system (boiler and radiators); new fully double-glazed windows
