GUIDE PRICE £750,000 - £775,000. Kenton are delighted to present this modern-built 4 bedroom and 3 bathroom (+ ground floor WC) detached house, presented in immaculately throughout, (and therefore in arguably "turn-key" condition) and situated within a conveniently-located gated development. Spanning over 1,600 square feet collectively, internally, to the ground floor, the property comprises; an ample-sized lounge/diner, additional reception space in the form of an underfloor-heated conservatory overlooking the rear garden, a well-proportioned and high-quality kitchen to the front, and finally a guest WC. To the first floor, you will find 3 bedrooms, two of which are of double size and one of which features an en-suite, as well as a family bathroom. Via a second floor is Bedroom 1 which features both another en-suite as well as a dressing room. Originally built circa 2007 and owned by our client since new (whom has evidently maintained the property very well during their ownership), throughout the property is presented in contemporary and neutral decorative order. Externally, there is an attractive rear garden featuring both traditional lawn and patio areas. Furthermore, there is also an attached garage to the side (which can be accessed via both the front as well as the rear garden) with off-street parking space in front via a driveway. Abbey Close is, as referenced, conveniently-located with, for instance, Chelsfield Station a circa 15 minute walk away providing direct and frequent services into central London. Orpington High Street is also a short drive or bus ride away (or circa 20-25 minute walk), featuring an array of; handy shops, restaurants, bars and leisure and beauty facilities. Additionally, some of Orpington's most reputable and coveted schools are easily-accessible, namely the popular Highway Primary School as well as the well-renowned St. Olaves and Newstead Wood Grammar Schools.

Please note, there is a service charge payable for the development, with the current charge at £550.00 per annum.
