PROPERTY SUMMARY

Shaw & Co are pleased to present this well-proportioned three-bedroom end-of-terrace house, ideally located within easy reach of Slough Station and offering excellent potential for further improvement and extension.

The property has been extended to the rear, creating generous living accommodation, while the downstairs bathroom provides added convenience for family living. Upstairs, all three bedrooms are notably well-sized, offering excellent flexibility for growing families, home working or those simply looking for more space.

A particular feature of this home is the large side space, which offers fantastic potential for a further extension, subject to the necessary planning permissions and consents.

Externally, the property benefits from a private driveway, providing off-street parking, while the end-of-terrace position gives the house a greater sense of space and potential than many similar properties.

Located close to Slough Station, the property is well positioned for commuters, with excellent transport links into London and surrounding areas.

Offered to the market with no onward chain, this is an excellent opportunity for buyers looking for a spacious family home with significant future potential.
