

2 YEW CRESCENT, SOMERFORD, CW12 4ZG

£650,000

STEPHENSON BROWNE

**WELCOME - Blackfirs View, 2 Yew Crescent, Somerford**

This exceptional executive residence, formerly a David Wilson Homes Gold Standard show home, occupies one of the most prestigious and enviable positions within the exclusive Blackfirs Park development. Constructed in 2018 using attractive Cheshire weathered brick, the property immediately conveys quality, longevity, and timeless appeal, beautifully set opposite Blackfirs Nature Reserve with mature Black Fir trees and open green spaces.

Originally one of just two executive show homes and the first in the row, this is one of David Wilson's larger 4/5 bedroom detached designs, sitting on a generous plot with uninterrupted views. On a clear day, Jodrell Bank can be seen from the rear. The property also offers excellent future potential to extend or reconfigure into a 6/7 bedroom home (subject to planning), thanks to its substantial plot size.

As a Gold category show home, every available upgrade was included at build stage, resulting in an exceptional specification throughout. Immaculately presented and meticulously maintained, the home still presents as virtually brand new. A recent full internal repaint using the original show home colour schemes and including all glosswork and the garage further enhances its pristine condition. High-quality furniture and fittings may be available by separate negotiation, offering a rare turnkey opportunity.

The beautifully maintained grounds, mature planting, and abundant wildlife create a peaceful, natural setting rarely found in modern developments, reinforcing Blackfirs Park's reputation as one of Somerford's finest addresses.

Inside, a welcoming and elegantly decorated entrance hall provides access to the principal living spaces. A versatile study offers flexibility as a fifth bedroom, dining room, snug, or playroom. The spacious lounge showcases bespoke décor, Italian feature wallpaper, and a hand-built Portuguese stone fireplace by Swindells of Macclesfield.

At the heart of the home lies the impressive open plan kitchen, dining and family room designed for modern family living and entertaining. Finished to the Gold standard specification the kitchen features a range of quality integrated appliances, a central island with breakfast bar seating and a pop up electrical bar socket and ample space for a large dining table. Open bay French doors and floor to ceiling windows allow natural light to flood the room while providing direct access to views across the rear garden and also benefits from adjustable bespoke blinds individually made for each window supplied and installed by the renowned Barnes Blinds of Kidsgrove. Leading from the kitchen is the Utility room, fitted with matching high quality units, plumbing for a washing machine/integrated washer and dryer, also housing the regularly serviced IDEAL boiler which has just had its annual service from British Gas (January 2026) The utility also offers convenient external access to the rear garden. Completing the ground floor tour the property also benefits from a large two piece bathroom comprising wc, wash basin, radiator end external window, fully tiled and leads into the spacious understairs storage area and cloakroom with a fitted light.

To the first floor, a galleried landing leads to the beautifully appointed proportioned bedrooms all of which are double rooms. The principle bedroom enjoys open country views across the front greenery and nature reserve which provides a calm and relaxing retreat. Complete with two built in wardrobes and ample space for a super king size bed as shown in picture. Leading from the Principle bedroom, there is an elegant en-suite double size shower room finished with Sottini fixtures. External window and wall mounted white towel radiator completes the suite.

The remaining three double bedrooms all benefit from fitted wardrobes and are served by a luxurious four piece family bathroom, again featuring Sottini sanitary ware. From the landing there is access to the cylinder cupboard and the expansive loft space with a light installed which spans a substantial portion of the property and offers excellent potential for conversion into additional accommodation such as Bedroom 6/sitting room/cinema room/home office or hobby space subject to the necessary consents.

## Externally

The property enjoys an enviable position on a generous plot, with a fantastic open aspect to the front overlooking greenery and the estate's nature reserve. The current owners have installed double electric remote-controlled garage doors by local company Protec, operated via key fob or internal switches, complete with built-in LED lighting and regular servicing. Professionally handmade driveway gates by KMS Pipefitting & Fabrication Ltd span over 20 feet and offer flexible quad-fold opening, designed to complement the front garden railings. Gated access leads to a tarmac driveway providing parking for two vehicles, with additional space in the detached double garage.

A paved patio leads to the front entrance, bordered by a neatly maintained hedge, with an outdoor bench, hanging baskets and potted plants creating a welcoming approach. To the right, a charming "secret" front garden is mainly laid to lawn and framed by mature hedging and established planting, offering a peaceful seating area or potential to extend the driveway for additional parking. The property also benefits from a full 360-degree walk-around with gated access on both sides, providing secure and convenient access to the rear.

The beautifully landscaped, south-west facing rear garden enjoys excellent privacy and sunlight throughout the day. Framed by Portuguese laurel, it features a generous lawn and three anti-slip porcelain patio areas ideal for entertaining, along with a central patio perfect for morning coffee. The Mediterranean-inspired planting, external lighting, water points and power supply at the bottom of the garden (ideal for a summerhouse) further enhance this tranquil and versatile outdoor space.

## Location

Located in the highly desirable Somerford area of Congleton, the property offers an ideal balance of semi-rural surroundings and everyday convenience. Highly regarded schools are close by, including Black Firs Primary School, The Quinta Primary School, Congleton High School and Eaton Bank Academy, making the area particularly appealing to families. Congleton town centre is just a short drive away, providing a wide range of amenities such as supermarkets, independent shops, cafés, restaurants, leisure facilities and healthcare services. Congleton railway station offers direct services to Manchester Piccadilly and Stoke-on-Trent, while the M6 (Junction 17) is easily accessible for wider North West and Midlands travel. The area is also well suited to outdoor pursuits, with nearby green spaces including Congleton Park, Astbury Mere Country Park and local nature reserves. Overall, Somerford remains a highly sought-after location, combining countryside living with excellent transport links and local amenities.

### **Hallway**

## **Second Double Bedroom**

14'5 x 12'7

As you enter this beautifully decorated double windowed aspect front bedroom, again overlooking unobstructed countryside views/nature reserve/ woodland, you are greeted with a handmade ornate rose design chandelier which was created for the show home. The furniture designed by Maisons du Monde compliments this truly outstanding room. Thick pile carpet throughout, double white fitted wardrobe with carpet inside and chrome sockets and switches finishes this absolutely delightful room. Coordinating roman blinds to compliment the Georgian windows.

## **Third Double Bedroom**

13'4 x 9'6

Entering yet another superbly designed double bedroom you are greeted with thick pile carpet, smoked glass tinted triple width, double sliding door wardrobe with double hanger space and over head storage inside and carpeted. Unique feature wall decorated with textured wallpaper and enjoys double aspect window to the open views to the rear and on a clear day, Jodrell Bank Lovell telescope in the far distance can be seen to the right. Accompanying the Georgian windows are two beautiful roman blinds bespoke fitted, the room is illuminated by a designer chandelier which again was created for the show home. Chrome sockets and switches throughout.

## **Fourth Double Bedroom**

10'3 x 9'6

Sophistication and glamour is what you see upon entering this stunning dressing room and immediately is illuminated by an amazing crystal chandelier from the Home Library of Wilmslow. What sets this bedroom apart from the other rooms, is the unique designer wallpaper which was extensively researched for to create the right look. The wallpaper is called Confetti Beads and is designed by the renowned Tim Wilman and occupies two sides of the room, which can only be described as beautiful when the chandelier is illuminated, and catching the sparkle of the beads in the light. Handmade bespoke crushed velvet full length curtains extends the luxurious feel of this room, and frames the Georgian style window with open views to the rear. Also to compliment the room, are smoked glass double size fitted sliding door wardrobes, with carpet inside. Chrome sockets and switches throughout and plush carpet fitted

## **Main Bathroom**

8'10 x 7'7

## **Detached Garage**

As you enter the former reception area to the show home, you can clearly see that it has been left in its outstanding conversion condition for what is the double garage. Throughout this vast area, this garage could be used very easily (with necessary permissions) for a separate living annexe, cinema room, additional bedroom, play area, business, home office suite, or just as a very posh garage. Fully carpeted throughout, three fully fitted double wardrobes with shelving and a double socket inside one. The garage also benefits from being boarded and insulated throughout, with multiple double sockets, plastered painted walls and LED spotlights to the ceiling, which can be independently used both sides. Independent wall lights, tv point and tv, partially boarded loft area with loft hatch and light fitted. ACK alarm, internet connection, two glass fronted, wall mounted adjustable heaters either side of the garage, completely re-painted throughout, fully alarmed. MCB Box and separate breaker for outdoor sockets. UPVC external side door, double glass paned for natural light. Double electric remote control garage doors as described previously, can be used independently. Plenty of scope and potential for building outwards and upwards subject to planning if required. External power socket to the front and MCB.

## **Tenure**

We understand from the vendor that the property is Freehold. We would however recommend that your solicitor check the tenure prior to exchange of contracts. Please note there is an annual maintenance charge of £126 per annum.
