History

Dating back to its 17th Century roots as a public house originally known as the Crooked Billet before becoming the Ship Ahoy! This detached, Grade II listed property offers a diverse history of offering hospitality to bustling barge trade travelling from as far as Newcastle and Kent delivering coal and various cargo to a former Crab & Winkle railway line.

The adjoining land was later purchased by the RSPB in 1984 offering wetland habitats for rare species and marshes that have featured in the
