Situated at the top of Minster Way, the house enjoys a large and sunny terrace with city and country views. Designed to be an easy home to live in, there is also ample parking space in the integral garage with a remote-controlled entrance door.

Location

This is a good choice for people who want the peace and quiet of suburbia without being too far from the centre of Bath. Its popularity has surged in the last few years due, in part, to the building of luxury new homes on the former Ministry of Defence site neighbouring Minster Way.
