The property is subject to a Local Occupancy Restriction which, in general terms, requires buyers to have lived or worked in Cornwall for the last three years. Further details are available in the Agents Note below.

Although in need of some internal refurbishment to achieve its full potential the property does offer the basis of a lovely family home.

Internally the lounge has an open fireplace for those cosy nights in, whilst there is an open plan kitchen and dining room. Upstairs are three bedrooms and a fitted bathroom.

A real highlight of the property are the lawned gardens to the front, side and rear which are neatly enclosed and provide a safe space for children to play in. There is scope for extending the property to the rear, subject to any necessary permissions or consents.

The accommodation in brief comprises an entrance hall, lounge, kitchen / dining room and a rear porch whilst upstairs there is a bathroom and three bedrooms. The property benefits from double glazing and a LG Smart Inverter heat pump.

St Keverne offers a strong range of local amenities including a post office, doctors' surgery, restaurant, general stores, two public houses, church, primary school, and butcher. The surrounding area provides access to open countryside and beautiful coastal walks. More extensive facilities can be found in Helston, approximately ten miles away, including national retailers, a cinema, and a sports centre with an indoor swimming pool.
