Close to the Gower coastline, in the relaxed village setting of Newton, this four-bedroom semi-detached home with no onward chain offers great potential. Nearby Mumbles, with its many cafes and bars, independent shops and local castle, makes the area both practical and quietly appealing, and well-regarded schools are within easy reach.

Occupying a generous plot of around 0.09 acres, this four bedroom semi detached home extends to approximately 1537 square feet and is offered with no onward chain. The layout is arranged over three floors, providing flexibility for a range of lifestyles.

The ground floor opens from a central hallway into a comfortable lounge and a separate dining room, with a garden room to the rear enjoying natural light and views across the garden. The kitchen sits at the heart of the home, with a ground floor bedroom and wet room offering useful additional accommodation or simply a quiet office space.

On the first floor, three bedrooms are served by a family bathroom, while the second floor provides two attic rooms suited to home working, hobbies or further development. The upper floors require some modernisation and the house is priced accordingly.

Outside, the property is approached via a private driveway bordered by a lawned garden with established planting. On-street parking is also an option. Side access leads to the rear, where a seating area connects to a lawned garden enclosed by fencing and hedging, creating a private and manageable outdoor space.

A well balanced home in a sought after coastal setting, offering both versatility and ease of living.
