Wilson Samuel are delighted to offer this generous three-bedroom home, boasting striking views across Chesil Beach and the surrounding landscape. The property features a spacious kitchen with adjoining utility room, a ground-floor bathroom, and three well-proportioned double bedrooms.

Inside, the heart of the home is the charming sitting room positioned at the front of the property. A characterful stone fireplace creates an attractive focal point and houses a working open fire.

Adjacent to the sitting room is the kitchen, which provides ample cabinetry and worktop space, along with room for a dining table. An opening leads through to the ground-floor bathroom and a practical utility room, adding further convenience to the layout.

Rising to the first floor are two double bedrooms. Bedroom one is particularly generous, offering plenty of space for a range of furniture, while bedroom two is also well proportioned. The bathroom has been reconfigured and slightly reduced in size to create a useful office area, maximising the versatility of the first-floor footprint.

Stairs rise again to a truly unique top-floor room, enhanced by a large bay window that beautifully frames the iconic Chesil Beach, offering a stunning coastal vista.

Outside, the garden has been designed for low-maintenance living and uniquely benefits from a door leading to a small cellar space. There is also side access leading to a small lane.

Sitting Room 10'9" x 10'5" max (3.30 x 3.18 max)

Kitchen 11'1" x 10'11" (3.40 x 3.33)

Utility 7'4" x 5'7" (2.24 x 1.71)
