A substantial cottage which successfully combines extensive and versatile accommodation with a large garden to the rear and, as such, has a wide breadth of appeal!

There is generous off-street parking via a side drive and this leads to a single garage. The accommodation itself includes up to three reception rooms, day room style kitchen plus four first floor bedrooms.

The crowning glory, however, is undoubtedly the rear garden which is very extensive and predominantly laid to lawn with the current owners utilising part of the space for small livestock - this is a true lifestyle property!

The house is located in a semi-rural setting with convenient access by road to near centres including Driffeld, Beverley, Bridlington and Hornsea.

NORTH FRODINGHAM

The B1249 passes through the village with its main street lined with houses, cottages and public house. The village cross is located at the junction of the road to Brandesburton and outside the attractive village school is the war memorial. Just outside North Frodingham is the Church of St Elgin which, though restored in the 19th Century, has its original Norman font.
