The kitchen is positioned to the rear and is complemented by a pantry and rear lobby. A ground floor bathroom, separate WC and conservatory complete the layout at this level.

To the first floor, a central landing provides access to four bedrooms and a separate WC, offering flexible family accommodation and considerable potential for reconfiguration, subject to the necessary consents.

Externally, the property benefits from a fully enclosed garden and driveway situated to the rear, accessed via timber double gates. The corner plot position enhances both privacy and presence within the village streetscape.

It should be noted that the property is currently in a poor state of repair and requires comprehensive restoration and upgrading throughout. As such, it is ideally suited to investors, cash purchasers or developers seeking a rewarding refurbishment project within a desirable village setting.

Claypole is a thriving and well-connected village situated just north of Newark, offering a strong sense of community alongside an excellent range of local amenities. The village benefits from a popular primary school, village hall, church and public house, with further facilities readily available in nearby Newark. Surrounded by attractive countryside, Claypole provides an appealing rural lifestyle while remaining exceptionally convenient for commuters, with easy access to the A1 and Newark North Gate railway station, which offers direct services to London King’s Cross in approximately 75 minutes. Combining period charm, accessibility and community spirit, Claypole continues to be a sought-after location for buyers looking to enjoy village life.

Constructed with painted brick elevations beneath a traditional pantile pitched roof, the cottage retains a number of period features including original single glazed timber casement windows and an attractive bay window to the front elevation. Central heating is oil fired - not tested. The adjoining single storey outbuilding and garage are also of painted brick construction beneath a pantile roof, complementing the main dwelling.
