The Property

A highly individual and characterful apartment set within a beautifully converted former Victorian flour mill, ideally positioned on the River Avon in the heart of Bristol. The property retains a wealth of original features, including exposed red brick walls and substantial wooden and metal beams, creating a stylish and sympathetic blend of period character and contemporary living. The apartment offers a particularly generous reception room, filled with character and natural light. Exposed brickwork and striking metal beams add to the industrial charm, while elegant arched windows provide wonderful views across the River Avon. At the opposite end of the room, the well-proportioned kitchen is fitted with a range of wall and floor-mounted cabinetry, complemented by a contemporary grey worktop. Integrated appliances include an electric oven, hob and extractor fan. The adjacent bedroom is a wonderfully light and relaxing space, with French doors opening onto a Juliet balcony and offering an appealing outlook over the river. Two further bedrooms provide good-sized double accommodation, with one benefiting from a charming arched window overlooking the river. The family bathroom is finished in a classic style and features a white three-piece suite, including a bath with an electric shower over. The apartment further benefits from the valuable addition of secure underground parking, making this a particularly appealing city-centre home combining period character, generous accommodation and a wonderful riverside setting.

Location - Harbourside

Once a busy dock where sailors and merchants would trade goods and set sail for voyages of discovery, Bristol's Harbourside has undergone a huge transformation and is now an attractive, modern development with excellent amenities and access to the rest of the City. The area is alive with the buzz of Sunday markets, waterside restaurants and bars and a whole host of sports and activities including yachting, paddle boarding, and rowing. Millennium Square acts as a central hub, with its fountains and big screen as well as world class attractions such as Brunel's SS Great Britain, We The Curious, Bristol Aquarium, the Arnolfini, Spike Island, the Watershed and the M Shed.
