Location - Loughton

Loughton is arguably one of the most sought after developments in Milton Keynes. It comprises mainly residential dwellings some dating back hundreds of years, and amongst them some of the highest in value in Milton Keynes. It encompasses the historic village of Loughton along with some stunning parkland and the popular Loughton Equestrian Centre offering riding lessons and livery - just a few minutes walk from the property. It has a local junior school and a popular restaurant. Loughton is particularly popular with commuters being close to CMK railway station with trains to London Euston and the North. The fastest trains to Euston take just 30 minutes. The property is just a few minutes walk from the station through attractive parkland, which will save the stress and considerable cost of parking for commuters. CMK shopping centre is a reasonable walk or short bus/car journey away. There are plenty of lake and riverside walks close by. With a short visit to Loughton it is easy to see why it is one of Milton Keynes premier locations.
