Flat 3 5 New King's Road

London, SW6 4SB

- Bedroom
- Kitchen
- Large Terrace
- Bathroom
- Reception Room
- Share of Freehold

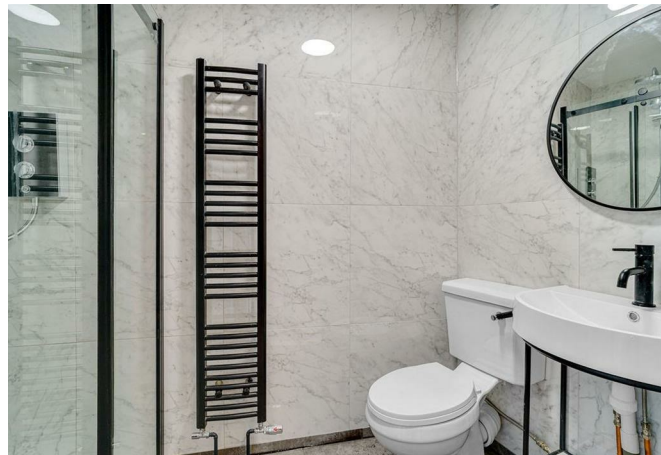

Positioned across the second and third floor of an attractive period building which has had a communal renovation, this newly refurbished one-bedroom flat offers huge amounts of natural light, clever design and a large private terraces, boasting open views across Chelsea and towards the city skyline.

Every element of the apartment has been thoughtfully re-designed to make the most of its footprint. The open-plan living space feels significantly larger than the square footage suggests, with bright interiors, modern finishes and smart built-in storage throughout. The seamless flow from kitchen to reception to balcony creates a calm, open atmosphere that's ideal for both relaxing and entertaining.

The double bedroom provides a peaceful retreat, again with excellent views across the south of the river with ample storage, while the contemporary bathroom has been finished to a high standard. The standout feature, however, is the impressive terrace — a rare find in Fulham — providing a genuine extension of the living space with plenty of room for outdoor seating, dining or simply enjoying the views.

With share of freehold tenure, excellent transport links via Fulham Broadway (only a 4 minute walk away) and Parsons Green, and easy access to the cafés, shops and restaurants of New King's Road, this flat combines modern design, great location and generous outside space in one beautifully presented home.

Viewings are strongly recommended to appreciate just how bright, spacious and well-designed this apartment feels.
