# PROPERTY DESCRIPTION

For those looking for their first detached family home in the village, or perhaps those looking to downsize to something more manageable and in a beautifully quiet spot with easy access to most facilities in both Walton and Tadworth, we have something that is truly quite rare to find, and we are delighted to be appointed by the owners, especially as we were the agent that sold it to them approximately 10 years ago.

Since then, they have been pretty busy, improving, remodelling and extending this already stylish detached family home, which now offers approximately 2300 sq ft of high specification and modern living standards, all executed to the owners exacting standards.

From modern handleless fitted kitchen, to feature fireplace, quality flooring throughout, modern bathrooms and tiling, gas fired heating by radiators, double glazing windows and a feature primary top floor suite with free standing bath and Juliette balcony, there is much to love about this rare home, and we would certainly recommend arranging to see it for yourself rather than taking our word for it.

To the outside, the house is approached by an open brick paved driveway and forecourt area, whilst to the rear the all weather garden provides the perfect space for year round entertainment, including the recent addition of a garden studio.

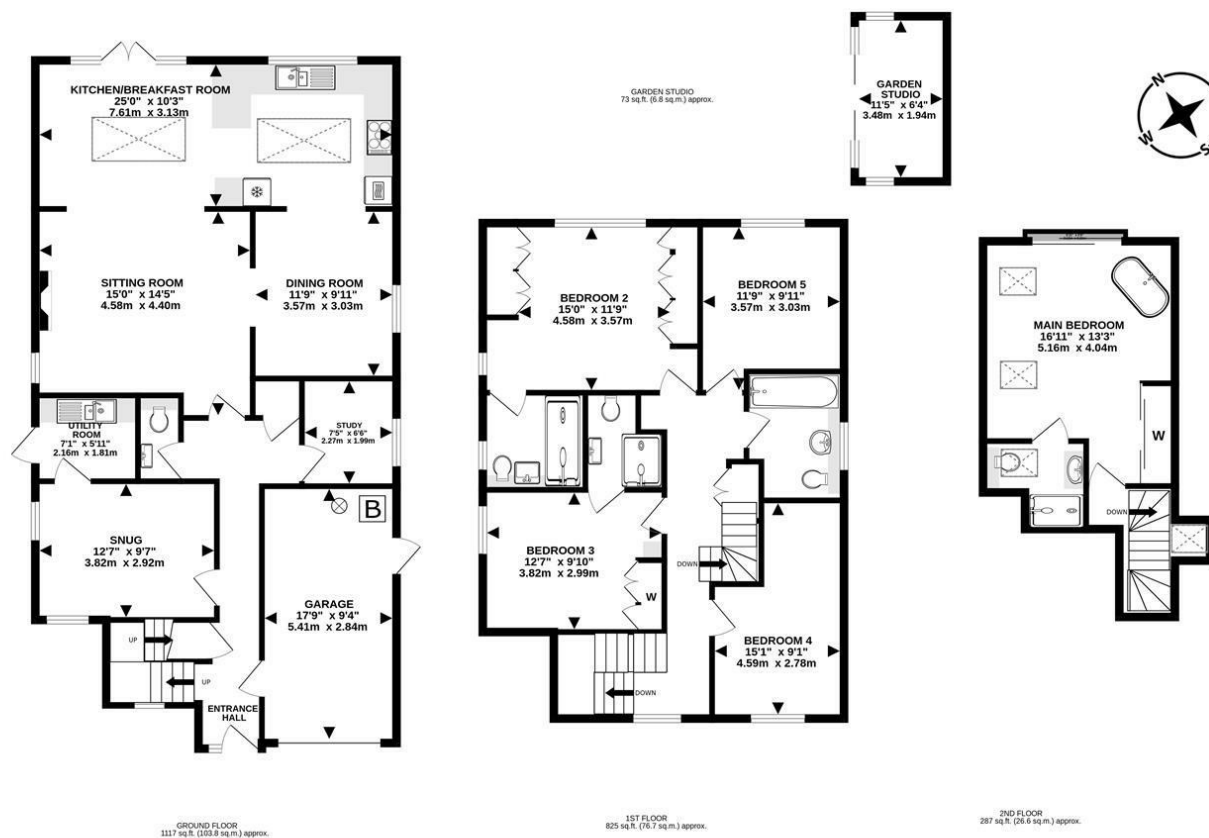

# PROPERTY DESCRIPTION

Sandlands Road is in the heart of Walton on the Hill village, offering a quintessential feel and look. The village is served by a number of local traders including a coffee shop, pizza parlour, local butchers, four local pubs, Co-op Supermarket, barber shop, chemist, Indian restaurant, Chinese take-way and the award-winning Spaghetti Tree Italian restaurant. Other features include Walton Primary School, two nursery schools and of course the famous Walton Heath Golf Club. Walton Heath itself is close by and a short walk of approximately 15 minutes will take you across to Tadworth village with its butchers, wine merchant, fishmongers, bakers, coffee shop and much more. It also has a mainline railway station with services to London Bridge and London Victoria. The property is perfectly located for access to local towns Epsom, Reigate and Dorking, and access to the M25 (junction 8) less than 5 miles.
