**£285,000**

Situated in a popular cul-de-sac location, this modern detached bungalow sits on a good sized corner plot. There are two bedrooms with fitted wardrobes, a lounge/diner, a fitted kitchen, a bathroom and a rear conservatory. The property is double glazed and this is complemented by gas fired heating. Externally there are gardens to both front and rear with the bonus of a garage and driveway parking for two/three vehicles.

We are very pleased to bring to market this two bedroom bungalow, set on a very good sized plot and tucked away in a quiet cul-de-sac within this popular residential area. The bungalow is set back from the road behind a good sized front garden that gives this home a generous, open feel. On entry, an L-shaped hallway allows access to all the internal living areas. The kitchen is conveniently positioned at the heart of the home, with access from both the hallway and the generously sized lounge/diner. From the hallway, a doorway opens directly into the kitchen which adds convenience whilst a second internal door connects the kitchen to the lounge/diner, allowing for smooth circulation and creating a natural flow between cooking, dining, and living areas. The triple aspect conservatory with a south westerly outlook is accessible from both the kitchen and the lounge/diner. The rear bedroom has the benefit of two built-in wardrobes, one fitted with wired drawer storage. There is separate further built-in drawer storage and generous dressing table space. The front bedroom also has the benefit of a built-in wardrobe with hanging space and shelf storage. Both bedrooms are complemented by a modern family bathroom which has the WC and wash hand basin integrated into a vanity unit and there is the bonus of a whirlpool bath with electric shower over. Externally, the broad sweep of front lawn is framed by mature shrubs and low trees and a generous driveway with parking for two/three cars which leads up to a single garage with up and over door. The plot has a wraparound feel with the established plants and shrubbery creating a sense of privacy without feeling enclosed. The rear garden is primarily patio with a raised pond and planting feature. There are some fruit trees and the vendor has advised that due to its south westerly position, the garden is a real suntrap. In terms of location, there are nearby bus routes and many amenities close by including major supermarkets within walking distance or alternatively through a short drive. There are also nearby schools, including the local academy and the local primary which are equidistant at around a ten/twelve minute walk or again, a short drive. The local leisure centre is within a five minute drive and the local health centre is also close by. Further afield, Camborne and Redruth town centres are equidistant. In addition, the property is close to the largest area of woodland in West Cornwall, with access to Tehidy Country Park and Tehidy Park Golf Club achieved in around ten minutes or less by car. Also, within proximity, are several North Cornwall coastal towns including Portreath which is a mere ten minutes or so by car. Furthermore, other surrounding beaches and local attractions can also be found nearby.
