APARTMENT 5, ENDEAVOUR HOUSE- 2 bed Apartment -£165,000

Hope & Braim are delighted to present this impressive top floor apartment within one of Whitby's finest Grade II listed Georgian townhouses. Endeavour House is a distinguished late eighteenth century residence of considerable architectural merit, constructed in brick beneath a Welsh slate roof with a parapet, and an imposing open-pedimented doorcase featuring Doric columns and a large semi-circular honeysuckle fanlight. Entry is gained via a grand entrance hall beyond, complete with period tiled floor and a handsome balustrade staircase that sets the tone for the building throughout. The apartment itself is accessed from the upper floor and offers a well-proportioned living room alongside a separate kitchen/diner, two double bedrooms, and a modern shower room. Gas central heating and double-glazing have been fitted throughout, ensuring year-round comfort within this historic setting without compromising the character of the building. Externally, the property benefits from a private garden with additional storage, a welcome amenity for a town centre address of this nature. The garden is well stocked with plants and offers an oasis that enjoys a southerly aspect and views across to Whitby's Abbey. The leasehold arrangement is notably favourable, with a 999-year lease dating from 1996 and a share of the freehold included in the sale. Prospective purchasers should note that the lease contains restrictions preventing holiday letting and the keeping of pets. Endeavour House occupies an excellent position within Whitby's Georgian streetscape, within easy reach of the harbour, the town's independent shops and restaurants, and the wider attractions of this celebrated North Yorkshire coast.
