Location
Waterbeach is a popular village lying on the banks of the River Cam surrounded by glorious open countryside over which there are some fine walks. The village enjoys excellent facilities and has a bustling centre set around an attractive village green. Here you will find a good range of local shops, pubs and take away restaurants, nearby in Milton there is a superstore and a broader range of facilities. There is a good bus service, and the railway station is a most useful asset to the village, providing direct links to Cambridge and London which can be reached in around an hour. Waterbeach is also conveniently positioned for access to The Cambridge Science Park and Milton Country Park. Waterbeach is well connected to Cambridge and the local area via A10/A14, rail links, bus links, and there are multiple cycle trails to Cambridge, Ely and St Ives. The established village is benefiting from the investment and new amenities arriving alongside Waterbeach's wider growth, while retaining the character of the original village centre with its green, shops and pubs. Waterbeach Community Primary School serves the village, and Waterbeach sits within the catchment for the popular Cottenham Village College, rated good by Ofsted at its most recent inspection. The property itself is within walking distance to Waterbeach train station.
