Samuel Wood is delighted to offer for sale this beautifully presented home on Monkmoor Avenue, Shrewsbury. The property provides spacious contemporary living comprised over three floors within a well designed layout complemented by a landscaped rear garden, garage and private driveway. Situated close to excellent amenities including shops, pubs, restaurants, scenic river walks, within good school catchment, walking distance of the town centre and practical road links. Viewing is highly recommended by the selling agent.

The ground floor of 23 Monkmoor Avenue provides a welcoming entrance hallway with access to the principal living accommodation. The living/dining room is a particularly appealing space, featuring attractive parquet flooring, a log burner and French doors opening directly onto the rear patio, creating a pleasing connection between the indoor and outdoor areas. Also accessed from the hallway is a convenient cloakroom WC and the kitchen/breakfast room, which is fitted with a range of integrated appliances, space for a washing machine and further access to the rear. The integral garage can also be accessed from the rear patio, providing useful additional storage and parking facilities.

To the first floor are three well-proportioned bedrooms, offering versatile accommodation for family members, guests or home working, together with a family bathroom. Stairs continue to the second floor where the fourth bedroom can be found, providing a private and versatile additional room. This upper-floor bedroom benefits from two Velux windows, allowing plenty of natural light into the space and creating an ideal retreat, bedroom or home office.

Externally, the property benefits from a private driveway providing off-road parking and access to the integral garage. To the rear is a landscaped garden, centred around a patio area which provides an excellent space for outdoor seating, entertaining and relaxing. The garden offers a low-maintenance yet attractive outdoor environment, the property also benefits from twelve solar panels on the roof improving energy efficiency throughout the year.
