Ground Floor

From the road, enter this attractive stone property via the porch into a welcoming hallway, where stairs rise to the first floor. A door leads into the living room, featuring a fabulous original inglenook fireplace with wood-burning stove, exposed beams and a charming window seat overlooking the front of the property, creating a wonderfully cosy atmosphere.

Also off the hallway is the dining/breakfast room, complete with recently fitted banquette seating beneath the window and a second wood-burning stove, making it an ideal space for both everyday dining and entertaining.

The recently fitted bespoke Shaker-style kitchen is located to the rear of the property and is beautifully appointed with a Belfast sink, a striking dark red Rangemaster cooker with double oven and grill, matching extractor hood and integrated microwave. The kitchen also offers pan drawers, pantry cupboards and a ceramic tiled floor. Steps rise from the kitchen to bi-fold doors opening onto the patio and garden, seamlessly connecting indoor and outdoor living. The heating is controlled by a geo-fencing system via a smartphone app, creating a virtual boundary around the home that automatically lowers the temperature when you leave and warms it as you return, providing both comfort and energy efficiency. In addition, there is a utility room with space for white goods and a Belfast sink with drainer, while a downstairs cloakroom is neatly positioned beyond a barn-style sliding door.

First Floor

Stairs rise from the hallway to the landing, where original oak beams add further character and charm. From here, doors lead to the stunning principal bedroom, which features oak flooring, recently fitted green Sharps wardrobes and a window to the front aspect.

A further spacious double bedroom also benefits from oak flooring and fitted Sharps wardrobes, while the third bedroom is a good-sized single with a window overlooking the rear.

The fully tiled family bathroom is well appointed with a walk-in wet room-style shower, a jacuzzi bath, and fitted storage incorporating a hand basin and WC.

Outside

The bi-fold doors open onto an attractive paved seating area, perfect for outdoor dining and entertaining. Steps lead up to an artificial lawn, creating a low-maintenance garden space. The private garden is enclosed by a combination of stone walls and fencing, and features raised flower borders and a useful garden shed.
