Council Tax Band: E

****RARE OPPORTUNITY TO PURCHASE A DETACHED 3 DOUBLE BEDROOM 2 BATHROOM BUNGALOW SET IN A QUIET CUL-DE-SAC WITH PRIVATE REAR GARDEN AND GARDEN ROOM FEATURING ELECTRICITY****

Located in the peaceful and much sought after village of Fifield, sits this beautifully presented 3 bedroom 2 bathroom detached bungalow, which is tucked away down a cul-de-sac, but still within walking distance to local amenities including a much respect country pub called the Fifield Inn.

Despite being positioned in a peaceful setting, the property is still relatively central, being only 0.5 miles from the nearest school, in the catchment area for the renowned Holyport college, and only 2.8 miles from Maidenhead Station (Crossrail).

The property is presented beautifully throughout, as it has been recently modernised by the current owners, including a log burner and fireplace that was just installed, and would be ideal for anybody looking to move straight in.

Numerous extensive works have been carried out over the last couple of years and have been detailed below under "important information". Most notably, a new fully fitted Howdens kitchen was installed, which comes with a built in Bosch microwave, oven and gas hob, as well as a fitted dishwasher, washing machine and fridge freezer. The work surfaces chosen are made of high quality quartz. There is also a Worcester Bosch combi boiler that is still under warranty, a new log burner with fireplace and a large garden room with electricity and lighting.

There is off street parking for 3 cars in the driveway, plus plenty of additional places for visitors to park within the close and the rear garden has artificial low maintenance grass recently installed also.

The property currently sits at 1132 sq ft, so there is plenty of accommodation in the form of three double bedrooms (two with recently installed fully fitted wardrobes), two bathrooms, a large reception room and conservatory as well as a spacious kitchen and 3m x 5m fully insulated garden room, but there are still many opportunities for the property to be extended (STPP) should you wish to.

The 3rd bedroom and adjacent bathroom have recently been self-contained at the side, featuring its own front door, so this would be ideal for teenagers wanting their own space, live in carers or those simply looking to have a rental income from Airbnb. Equally, this area could easily be converted back to become part of the main property as it simply needs opening up again with access into the kitchen area, as was before.

OPPORTUNITIES TO EXTEND (STPP):

LARGER DRIVEWAY by removing the front garden and dropping the front curb to create parking for 4/5 cars
LOFT CONVERSION to create a further bedroom and ensuite.
HOME OFFICE/GYM/PLAYROOM: by plastering the new garden room, which already has electricity and lighting and its own fuse board
REAR EXTENSION: to create even more accommodation by extending the property out further behind the kitchen
