### Owners Comments

As the owner of Schofield Guest House a mini statement from me. We moved to Bridlington 10 years ago to run the Guest house with no experience. We have now shaped a business to achieve minimum work time and maximum leisure time. We open 7 days a week over the summer, then weekends only for part of the low season. We operate as room only, providing a breakfast hamper on request. Also support a self check-in system giving guests more convenience over arrival times. In my leisure time I tend a 1/2 acre allotment, enjoy a full gym membership and rent a beach hut for 5 months over the winter. Taking on the role of vice president of the Bridlington Tourist association has enabled me to meet many people, while supporting other accommodation providers locally. Moving from a full time job with 4 children, this has given me a total life style change, creating a work/life balance to be enjoyed.
