One Bedroom Houses don't get better than this! - in our opinion.
This stunning one-bedroom house is offered to the rental market fully furnished from December 2026. Refurbished and modernised by the landlord for their own enjoyment and to a high specification this property offers a good-sized kitchen/lounge with integrated kitchen appliances, 75-inch smart TV, and cinema surround sound. Upstairs the bedroom has ample built-in wardrobes and is big enough for a king-size bed. The bathroom is lovely with a modern white, 3-piece bathroom suite with a shower over the bath. Outside this property has an allocated parking space and its own private garden which is mainly artificial grass but has a decked seating area and gas fire-pit. There are so many features to appreciate in this property and it must be seen to be fully appreciated. Viewings can be arranged by calling Aspen Estate Agents.
