Situated within the popular residential area of White Cross, this beautifully presented two-bedroom semi-detached home offers spacious accommodation, generous gardens, and the benefit of numerous significant improvements carried out in recent years, making it an ideal purchase for first-time buyers, downsizers, or investors alike.

Originally built as a local authority property, the home benefits from well-proportioned rooms and practical living spaces throughout. The accommodation comprises a welcoming entrance hall leading to a bright and comfortable living room based around the feature fireplace, while the kitchen provides ample storage and workspace for everyday family living.

To the first floor are two generous double bedrooms and a family bathroom. The principal bedroom is a particularly impressive space, featuring dual-aspect windows that flood the room with natural light, together with a full wall of built in sliding-door wardrobes and a separate built-in cupboard providing excellent storage space.

The property has been thoughtfully updated over recent years, with major improvements including replacement windows and doors, a modern boiler, a replacement roof and re-plastering throughout much of the home. These enhancements offer buyers peace of mind while creating a fresh and well-presented interior.

Externally, the property enjoys south facing private garden to the rear and front garden with lawn and borders, providing ample outdoor space for relaxation, gardening or entertaining. A timber garden shed provides external storage space. On-street parking is available in the cul-de-sac for residents and visitors.

Combining generous room sizes, a convenient location, and a programme of substantial upgrades, this attractive home presents an excellent opportunity to acquire a move-in-ready property within easy reach of Hexham town centre, local amenities, schools, and transport links.
