Council Tax Band: B

A well-presented and improved two bedroom home with parking, landscaped garden and a convenient position close to the town centre.

This well-presented two bedroom semi-detached home offers a practical layout and a convenient position within easy reach of the town centre, making it a sensible option for first-time buyers, downsizers or investors.

Since purchase, the current owner has made a number of improvements, most notably reconfiguring the layout to create a larger main bedroom. This is now a bright and comfortable space with triple windows allowing plenty of natural light. A new kitchen has also been fitted, offering ample cupboard and worktop space, along with modern finishes including vertical radiators.

The ground floor is well arranged, with a comfortable sitting room to the front and a kitchen/breakfast room to the rear, providing a sociable and functional space. The conservatory has been improved with a recently installed anti-glare roof and radiator, allowing it to be used throughout the year as an additional reception area or dining space.

Upstairs, there are two bedrooms and a modern shower room. The second bedroom remains a good size and would suit a guest room, office or nursery

depending on requirements.

Outside, the property continues to be low maintenance and practical. To the front is off-road parking for two vehicles along with an electric car charging point. The rear garden has been landscaped with a more natural arrangement, now laid to patio with potted plants and established shrubs, creating a tidy and usable outdoor space.

The property occupies a level position within walking distance of local amenities, including Heathcoat Primary School, local shops and recreational areas, with Tiverton town centre also close by.
