

Connells

Barnside Chapel Lane
Long Marston TRING

Property Description

A porch leads into a welcoming hallway and through to the main open-plan living, kitchen, and dining area. The kitchen includes plenty of units, marble worktops, a double electric oven with warming drawers, gas hob, and integrated appliances. There's also a separate utility room with extra storage, space for laundry appliances, and access to a walk-in pantry. The lounge features exposed beams and an open fireplace, giving the space a warm, cosy feel. The ground floor also includes a double bedroom and a cloakroom.

Upstairs, the bright landing leads to five well-proportioned bedrooms. The main bedroom has its own en-suite, walk-in wardrobe, vaulted ceiling with Velux windows, and a Juliet balcony overlooking the garden and countryside. A modern shower room and a separate family bathroom complete the first floor, along with a pressurised water system and boarded loft.

The expansive rear garden has been crafted as a true private sanctuary, with sweeping lawns, an outdoor dining area, and striking double-level decking that creates a resort-style flow. Indulgent features—including a premium hot tub, a sculptural gas firepit, and multiple beautifully designed relaxation zones—transform the space into a refined escape.

Additional benefits include a double garage with electric doors, a bike room, workshop, pub-style home office, and a separate

gym/fitness building. Homes like this rarely come up in the village and really need to be viewed to appreciate everything on offer.
