Totnes also benefits from a mainline railway station with regular services to London Paddington, making the property well suited for those requiring connectivity whilst enjoying a rural lifestyle.

### DESCRIPTION

A beautifully proportioned barn conversion offering versatile accommodation over three floors, ideal for modern family living or multi-generational use. Rich in character, with exposed stonework and beams, the property combines charm with well-balanced living space.

The layout offers excellent flexibility, including a self-contained element if required. The principal living space is arranged on the first floor to enjoy the outlook and direct access to the garden, while the gardens and adjoining paddock provide a rare sense of space and lifestyle.

## ACCOMMODATION

The accommodation is arranged over three floors and is best understood as the main house and annexe, which are internally connected.

Entering via the principal front door on the right-hand side of the property, a hall gives access to three ground floor bedrooms together with the family bathroom. Stairs rise to the first floor landing, where there is a spacious open-plan dining room, with the kitchen beyond. Also on this floor is a further reception room with high ceilings and fireplace, providing additional living space.

On the second floor of the main house is the principal bedroom suite, comprising a generous bedroom, dressing room, en suite shower room, walk-in wardrobe and useful storage.

The annexe element is approached from its own entrance on the ground floor into an entrance hall/snug, leading through to the utility room and cloakroom/WC. Stairs rise to a first floor reception room, currently used as a study/office, which also connects through to the kitchen in the main house. On the second floor is a further bedroom served by a shower room, providing ideal ancillary or guest accommodation.

## OUTSIDE

The property is approached via a communal courtyard with allocated parking and access to a detached double garage.

To the front, there is an area of garden with pathway leading to the entrance. To the rear, the gardens are a particular feature, being mainly laid to lawn and bordered by mature shrubs and planting, creating a private and established setting. A paved terrace provides an ideal space for outdoor dining and entertaining.

The paddock can be accessed directly from the garden or via a shared track and extends the total plot to approximately 1.45 acres, offering excellent amenity space for recreation, gardening and general enjoyment of the setting.

## SERVICES

Mains electricity. Mains water. Private drainage via a shared septic tank. Oil-fired central heating.
