“Exceptional bespoke coastal home offering luxury living, privacy, efficiency and walkable access to Bantham...”

Netherdale House is an exceptional bespoke residence occupying a private position within the sought-after hamlet of West Buckland, just a short walk from Bantham Beach. Constructed in recent years to an exceptional standard, this unique coastal property offers luxurious accommodation designed around modern living. Combining elegant interiors, beautifully proportioned rooms and an exceptional level of finish throughout, the property enjoys a rare balance of privacy, space and coastal accessibility. Solar panels and contemporary building methods contribute towards remarkably economical running costs for a property of this scale, offering an increasingly rare combination of luxury, sustainability and efficiency.

- Exceptional bespoke residence within walking distance of Bantham Beach
- Five bedrooms plus cinema room/potential sixth bedroom
- Bespoke Tom Howley kitchen and glazed wine room
- Private suntrap garden
- Solar panels, detached barn and extensive driveway parking

A grand entrance hall provides access to the principal accommodation and immediately showcases the quality and attention to detail found throughout the home. Large-format Florim porcelain flooring flows through the principal living spaces, whilst a beautiful oak staircase rises to the first floor. Beneath the staircase, a bespoke glazed wine room creates a striking focal point.

At the heart of the property is a stunning open-plan kitchen, dining and living space. The room centres around a bespoke Tom Howley kitchen with central island, premium integrated appliances and expansive aluminium framed bi-fold doors opening directly onto the terrace and gardens beyond. A separate utility room and boot room provide excellent practicality, whilst a versatile reception room, currently arranged as a cinema room, offers flexibility. A stylish shower room completes the ground floor accommodation.

The first floor comprises five generously proportioned bedrooms, three benefiting from en suite facilities. The principal suite is particularly impressive, offering a walk-in dressing room and luxurious en suite shower room with twin basins and a double walk-in shower. A beautifully appointed family bathroom with freestanding bath and separate shower serves the remaining accommodation. Throughout the first floor, large windows frame views across the surrounding gardens and greenery whilst maintaining a wonderful sense of privacy.

Approached via a substantial gravel driveway, Netherdale enjoys extensive off-road parking. The gardens and grounds have been thoughtfully landscaped to create a private and peaceful setting. A large terrace extends directly from the principal living accommodation and has been designed for outdoor entertaining, complete with a hot tub and sunken seating area. The level gardens enjoy sunshine throughout the day, creating a wonderful suntrap for relaxation and entertaining, whilst mature planting ensures a high degree of privacy. A stream borders the lower boundary, enhancing the property's peaceful setting. A detached barn provides useful ancillary storage and offers potential for conversion, subject to the necessary planning consents.
